Metstar Tile 2

aka Tile 2 FZ, Zissen

CLASSIC & ELEGANT

The Metstar Tile 2 is our tribute to a popular profile known to some as the English Tile and to others as the French Tile. This design was also introduced in 1950's New Zealand as the second recorded stone coated tile profile in the world, hence Tile 2. Its classic elegant appearance and being a favorite among experienced old school installers the Tile 2 profile continues to be very popular today.
